

Class C Airspace, Portland Tower and TRACON operations.

At this month's Second Saturday we are welcoming PDX Tower controller Richard Kennington, who will offer an overview of Portland Tower and TRACON operations. Richard is an experienced air traffic controller, starting out in Salt Lake in 1999, and then transferring to Portland. He also has a background in General Aviation, both as a certified pilot, and in regional airport management.

Directions: DRIVE IN - Two miles south of Wilsonville, just off I-5. 1/4 mile south of Arndt Rd.
FLY IN - Taxi to the very north end of the Aurora airport. Park on the ramp between the fuel island and the FBO building.
AVOID OVERFLYING POPULATED AREAS.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
